EXPERIENCE

May 2025 – Present Aequitas Infotech Pvt. Ltd | Ahmedabad

Peers Global Unity App

- Built key features of a platform that helps entrepreneurs grow their business: business referrals, a coin-based reward system, matchmaking, speed networking, connections, business circles, events, and Peers Store.
- Developed a business referral and coin system that rewards users for referrals and platform activity, encouraging engagement and repeat usage.
- Implemented smart matchmaking and timed speed networking to connect entrepreneurs with relevant business contacts and partners.
- Built an events module where business owners and entrepreneurs meet, network, and collaborate at business events.
- Created connections and business circle modules so users can build their network, join communities, and collaborate with other founders.
- Integrated a payment gateway for premium plans, coin purchases, and in-app transactions.
- Integrated REST APIs using Dio and Retrofit with BLoC state management.
